

London Park School Sustainability Policy

Name	LPS Sustainability Policy
Policy owned by	Principal & Heads
Date Effective From	September 2025
Date of next review	August 2026

This Policy will be reviewed and updated annually or more frequently when there are changes in legislation and/or government guidance.

Introduction

London Park Schools is committed to fostering a sustainable environment that supports the well-being of our students, staff, and the wider community. We recognise the importance of sustainability in ensuring a healthy future for all and are dedicated to integrating sustainable practices into all aspects of school life.

Objectives

- 1. Educate and Inspire**
To educate our students and staff about sustainability and inspire positive environmental action.
- 2. Reduce Environmental Impact**
To minimize our environmental footprint through efficient use of resources and waste reduction.
- 3. Promote Sustainable Practices**
To promote sustainable practices in all school operations and encourage community involvement.

Strategies

- 1. Curriculum Integration**
 - Incorporate sustainability themes into the curriculum across all subjects.
 - Provide professional development for staff on how to teach sustainability.
- 2. Resource Management**
 - Implement measures to reduce energy, water, and material consumption.
 - Establish recycling programs and promote waste reduction initiatives.
- 3. Sustainable Infrastructure**
 - Invest in energy-efficient and environmentally friendly infrastructure.
 - Encourage the use of renewable energy sources where possible.
- 4. Community Engagement**
 - Involve students, staff, parents, and the local community in sustainability projects.
 - Foster partnerships with local environmental organizations.
- 5. Monitoring and Evaluation**
 - Regularly assess and report on our sustainability practices and progress.
 - Set measurable targets for improvement and review them annually.

Roles and Responsibilities

- **Sustainability Lead:** Oversee the implementation of sustainability initiatives and act as a liaison between the school and external partners.
- **Teachers and Staff:** Integrate sustainability into teaching practices and participate in school-wide initiatives.
- **Students:** Engage actively in sustainability programs and act as ambassadors for the environment.
- **Governors and Senior Leadership Team:** Support the sustainability policy and ensure alignment with the school's strategic objectives.

Conclusion

By implementing this sustainability policy, London Park Schools aims to lead by example and cultivate a culture of environmental responsibility. We are committed to continuous improvement and collaboration to achieve our sustainability goals.
