

Uniform and Sport Kit List – Years 7-11

Our uniform and sports kit is provided by Schoolblazer. Schoolblazer is an online service with intelligent sizing and fast delivery and a free name-taping option. Please refer to the Schoolblazer website, www.schoolblazer.com to order your child's uniform.

There is no distinction between seasons – although in hot weather we do not expect blazers to be worn. On days when sport is played, students may come to school in sports kit. Showers are available at school if students want to change.

The numbers in brackets are our suggested minimum. Items marked * should be bought from Schoolblazer. Other items may be purchased from any retailer, but ALL items must be clearly marked.

Please note that there is no uniform in the Sixth Form.
