1. Year 7 curriculum

The curriculum in Year 7 is designed to expose students to the widest range of academic subjects possible, including mathematics, the sciences, English, modern languages, drama, art, music, Humanities, IT skills and Computing, design technology, and PE.

The provision for English, History, Geography and TRP is taught around cross-curricula themes and referred to on the school timetable as Integrated Learning.

In Modern Foreign Languages all students study French and Spanish.

Year 7	PPW	Notes
English	3	Integrated Learning
History, Geography, TPR	2, 2, 1	Integrated Learning
Maths	4	
Science	4	
DT	2	
Computer Science	1
